**Programmable Control Unit**

Programming protocols in advance

The programmable control unit has an additional display facing the operator. It is possible to program up to 24 user-defined protocols.

---

**Multifunctional**
The ergometer can be used in various ergometry settings, enabling a multifunctional deployment.

---

**Heavy Duty Design**
The Excalibur Sport is designed for heavy duty sports medicine ergometry, without doing any concession on the esthetic, modern and robust design. In other words: Excalibur Sport: the gold standard in Ergometry!
